College Principal's Report

Dear Parents/Guardians,

Welcome back from the September break, I hope everyone has taken the opportunity to refresh and refocus in the lead up to the end of the year. Term 4 is a very important time for a number of reasons, with students and teachers completing the last phases and topics of the curriculum at all year levels. For those who have continued in their efforts throughout the year, this is an opportunity to further consolidate the results in all areas. For those that have not made the most of their opportunities, it is essential that they try and redouble their efforts over this time to attempt to catch up on missed work and to put themselves in the best position for whatever lays ahead next year.

**Year 12 VCE/VCAL**

It was extremely heartening to see the many Year 12 students and staff at the Mooroolbark Campus over both weeks of the recent holidays. The revision and study classes that were provided by these dedicated staff members are testament to the teachers’ commitment to helping all students get the best possible results in their upcoming exams. It is only a couple of weeks from now when these senior students, both VCE and VCAL, will be completing their formal studies with Yarra Hills and embarking on their final assessments. We will speak more of this in the next newsletter.

**Interim Reporting**

At the end of last term, Interim Reports were prepared for all students and published online on our new Compass Parent Portal. I hope that you have taken some time to go over these reports with your own son/daughter(s) and make use of the feedback available from these. Additionally, many staff have taken the time to contact parents via phone and/or email to alert them to any areas of particular concern or to provide strategies or support structures to assist individual students to achieve their best. If you have any further queries relating to your own child’s report or results, please feel free to contact the staff to discuss this.

During the second week of this term break, I had the opportunity to personally attend the ACEL National Conference in Sydney. I am a member of the Australian Council for Educational Leadership and participated in three very intense days of Professional Development and educational seminars, including keynote addresses from Governor General – Sir Peter Cosgrove, Mark Donaldson VC, Cathy Freeman, Dame Jenny Shipley (ex-NZ Prime Minister) and internationally acknowledged educators Robert Marzano, Alma Harris, Yong Zhao, Jan Robertson, Andy Hargreaves and Michael Fullan. It was certainly a challenging and ‘mind-expanding’ experience and for those of you who have followed my own Twitter feed (@D_Trippett) or the school’s (@YarraHillsSC), you will have been able to see and read some of the inspiring messages that were to come out of it. Additionally, for anyone interested, I invite you to review all conference tweets through the following hashtag #acelconf15.

Year 10, 11, 12 2016 Scholarship Program
As mentioned in the last newsletter before the holidays, we recently advertised a 2016 Senior School Scholarship Program. Preliminary applications for this program have now closed, and final applications are due by Monday October 12. Scholarships have been made available at each year level (10, 11, 12) for Academic, Sporting, Performing Arts and Visual Arts excellence. I look forward to seeing the results of the application and selection process and thank those who have shown interest in this, both from within and outside the school community.

BYOD (Years 10-12) 2016
Finally, I would like to inform students who will be entering Year 10 in 2016 that the JB Education BYOD Portal will soon be open for purchase of appropriate devices for 2016. Additionally, any Year 10 or 11 student who doesn't have a suitable device, or wishes to upgrade or replace their current device, will also be able to access this portal to arrange a suitable purchase. Further information will soon be made available to students and parents in regard to how to log on and do this.

Darren Trippett
College Principal

From the Mooroolbark Campus Principal
I hope everyone from the Mooroolbark Campus, students and their families had some time to rest and re-energise over the Term 3 break. I know many of our Year 12 students and teachers were in at school in the holidays with a number of VCE holiday classes running. It is important that students in Year 12 look after themselves and work hard over the coming weeks in preparation for their upcoming exams. In speaking with some of the students and parents, we are all finding it hard to believe that our Year 12 students only have 2 weeks to go of their secondary schooling prior to their exams. We will be saying farewell to them as a whole Campus, at a small assembly on Monday October 19. The Year 12s will have their last day of classes on Tuesday 20 October.

It was a busy end to Term 3 and I would like to make mention of some of the events and activities that took place:

Year 12 Master Classes
Again our Year 12s have been very fortunate to be able to take part in the Yarra Ranges VCE network Master classes held at Lilydale Heights College Theatre. The Master Classes are a great way to learn some valuable information and study techniques prior to the upcoming exams. The students who I have spoken to thought they were really valuable. Whilst many have already occurred, there are still many to come this weekend. Students can book at: http://www.trybooking.com/151339.

Sport
This has been another outstanding term for Sport at the Mooroolbark Campus. It has been a fantastic year for participation in a range of sports, as well as success in reaching district level. We have had 17 teams to date make it through to the Eastern Zone finals. Our most recent success was on Friday August 28 with wins from our Year 8 girls and boys table tennis teams. There have also been some fantastic individual and team efforts at the Athletics. A very big thank you to Murray McAllister, David Audesho, Virginia Stacey and other staff who both coach and take teams to competition.
Carrum – Warburton Trail

On Thursday September 10 VicRoads was at the Mooroolbark Campus at a drop-in community forum for local residents to look at and discuss the plans for the Carrum to Warburton Trail - Bayswater to Lilydale Link. VicRoads has plans for the land behind the Campus to become a bike trail linking existing bike paths that run all the way through to Carrum, and into Lilydale in the other direction.

Excursion (Science)

On Tuesday September 8, 40 Year 9 students went on an Excursion to Quantum Science Laboratories to undertake a 3D Modelling and Printing and Forensic Science activity. With the 3D Modelling and printing, students got to design their own plastic key chain. They learnt how to design on the computer and how to prepare and use a 3D printer. For the Forensic Science activity students watched a short video of a simulated crime scene and then worked in teams on a range of virtual activities including collecting and analysing evidence as well as interviewing suspects and witnesses. There was some great feedback from students on the day.

Year 9 City Experience

Finally, I had the pleasure of accompanying the Year 9 students on City Experience. The Year 9s spent 3 days of the final week of Term, exploring the city. Students went on a tour of Queen Victoria Market, the MCG and the Sports Museum and the Old Melbourne Gaol. Students also did a Scavenger Hunt as well as developing a short film in groups. I want to compliment all of the students who attended. They were courteous and really engaged in the activities. They really did the school proud.

Greg Cowan
Mooroolbark Campus Principal
From the Mt Evelyn Campus Principal

I hope everyone had a restful holiday and refreshed for the new term. This newsletter, whilst new in the term, covers some great activities that occurred late last term. It is fantastic that the weather is improving and it is timely that students are reminded to have water bottles handy to keep hydrated, however remember that water only is permitted in class.

Term 4 is often one that flies very quickly and the demands on students regarding their assessment tasks increases. It is never too late to get some simple organisational strategies in place, such as:

- Ensure you still have all the necessary equipment for every class (pens, pencils, glue stick, ruler, binder books, diary and text book)
- Use post it notes as reminders for your diary or binder books
- Use the diary or electronic diary to remind yourself of necessary home work
- Put any homework straight into your bag straight after class rather than wait to the end of the day when many are in a rush to leave school
- Have extra copies of your timetable (locker, home, diary etc)
- Have a calendar at home to put in dates so you can plan your time better for assessment tasks

Yarra Hills Art Show

Late last term was our annual Art Show, hosted by Yarra Hills and supported by Rotary. Last year we had over 200 pieces of art work and this year we exceeded this number. Students from year 7 – 12 submitted some fantastic artwork as well as local artists from our area. Staff have also put in some amazing pieces. Students wandering through the exhibition were so impressed by the quality of work in the art show. The beauty of our Art Show is not only to profile the talent we have within Yarra Hills but to build our identity within the community. The Art Show was opened by David Hodgett with Christine Fyffe, Maria and Brian McCarthy in attendance. We had many visitors for the opening night and the exhibition was enjoyed by all. There were prizes given for the various categories of Art work with our own Calleen Taylor winning the best Middle school art work. Many thanks must go to Katya Barnes, Rob Forbes and the Art department for their involvement in getting this show together. It has been a huge exercise and one that we are so appreciative of.

Footy Day

On the last day of term, SRC organised a footy day free dress. It was a chance for everyone including myself to proudly wear our team colours even though some teams didn’t perform so well in the season. The Advance class also put on a sausage sizzle for students at lunchtime to raise money for their ‘Postie Bike Challenge’ happening in October. This week they are running a car wash to continue their fundraising efforts.

Robyn Dew
Mt Evelyn Campus Principal
Year 9 Quantum Excursion

On Wednesday September 9 our year nine students experienced a whole new world of science with an excursion to Quantum Victoria in Macleod. The students were offered a Forensic Science unit or a 3D modelling printing session. Special thanks to Michelle Steenhuizen for organising such a great day.

I experienced the Forensic investigation and it was absolutely fantastic. The students were given a crime scenario and they used their newly acquired investigative skills to solve a mystery.

There’s been a break-in at the Quantum museum, and priceless dinosaur bones have been stolen. The year nine forensic team from Yarra Hills Secondary College have been brought in to crack the case. Forensic analysis of interviews, fingerprints, soil pH, blood type and footprints were embarked upon to bring those responsible to justice.

I am proud to say, our year nines enthusiastically worked through each area of the investigative excitement. There were even n’t mention the fact that the fingerprints, I made a wrong turn and got lost

Meanwhile, upstairs in Technology central, the personalised key rings, and in Lachie Murray’s ing Sketch-up, everyone learnt to design and print:

A great day was had by all.

Sandra Lombardi and Chris Shimmen

COLLEGE CONCERT

Each year the College Concert highlights the talents of our young musicians, and the 2015 concert proved to be just as successful as in previous years. The Senior Concert Band played at the usual high standard with performances including the James Bond ‘Skyfall Theme’, ‘Happy Together’, ‘Jupiter from the Planets’ and a contemporary wind band composition called ‘Contempo’. The Senior Band also accompanied our guest artists, musicians from the City of Melbourne and Ringwood Highland Pipe Bands, with an arrangement of ‘Highland Cathedral’.

The Intermediate Concert Band performed four pieces, including ‘Spiderman’, and ‘Tequila’, and the Junior Concert Band, as usual, one of the concert highlights, played ‘Samba La Bamba’, ‘Mojo’, and ‘Zombie Stomp’ – well done to our junior musicians for their first performance.

Other ensembles were also featured during the concert, with the Saxophone Ensemble wowing the audience with ‘Little Brown Jug’ and ‘Sweet Georgia Brown’, and the Brass Ensemble playing ‘Soul Bossa Nova’ and ‘Return of the Zombie’. The Percussion Ensemble played ‘Tribal Dance’, the Woodwind Ensemble performed ‘Habanera’ from Carmen and Mozart’s ‘Eine Kleine Nachtmusik’, while the VCE Vocal Group sang ‘The Sounds of Silence’ and ‘A Beatles Medley’.

VCE Solo Performance students also performed music in preparation for their upcoming examinations – Sonya Haines played the Red Hot Chilli Peppers ‘Under the Bridge’, Merrie McKinnon sang the Irving Berlin hit, ‘Blue Skies’, and Nathan O’Rourke performed ‘A Wily Bossa’ on the Trombone.

Congratulations to all music students for their efforts on the night!

Richard O’Toole
Music Director
Hawthorn Football Club Visit

We were lucky enough to be a part of a selected group of young sport leaders who were chosen to go on a very special tour of the Hawthorn Football Club. The tour included a leadership seminar which was run by the players.

They talked about Step Back Think which is where you should think about your actions and the consequences they have on our life. After that we learnt about setting goals for whatever you would want to do in later life, they also talked about what jobs that they would probably do after their career in the football club. We then went on to where the players told us about a day in the life of a footballer and what rules they have to follow when they are out with their mates. We met and talked with the players and were lucky enough to go on a tour around their training complex and visited the Hawthorn Museum and their gymnasium, plus we viewed the exercise equipment and their recovery facilities.

It was an awesome experience! Congratulations to the follow students who attended the seminar: Shane Jackson, Cameron Wendt, Shaun O’Rourke, Jasmine Rowe, Codie Shae, Rebecca Hinksmann and Kirsten Walburg.

Shaun O’Rouke & Cameron Wendt

Outdoor Education

A great snow fall in early August saw the Mooroolbark Campus Outdoor Ed class spend a day exploring at Lake Mountain, for most students this was their first experience of Cross Country Skiing. Cross Country skiing is different to downhill skiing in that you can ‘walk’ and slide along the trails with the skis. Unfortunately, it takes a bit of effort to walk up the mountain before you can get an opportunity to then ski down from the top!

After collecting our gear we all had some practice at skiing on a nearby slope, some got the hang of it straight away and some persisted and persisted. By mid-morning we were soon making our way up the mountain and after only a little bit of travel up the hill we reached the plateau, which was completely snow covered. There were small patches of vegetation where creeks and ponds of water could be seen. Throughout the many hill climbs we would see many parts of the same plateau. After travelling for a while we reached an area to rest and have food and drinks, and after about half an hour we set off again.

Throughout the trip a few of us were counting how many times people fell over, so that added a bit of extra humour to the day. Once we reached the top of Royston trail it was all downhill so a lot of us ended up going pretty fast! It was great fun!

Thank you to Mr. McAllister for a great day.
At the Mooroolbark campus we have a few Champion Readers. This year 7C took part in the Premiers’ Reading Challenge as part of their Library and Reading program for this year. The aim was to read at least 15 books (10 from the Challenge list and 5 own choice) from February this year to September. 7C visited the Library every two weeks to read and discuss books. Well the Challenge is now officially ended and we had a number of students who met the CHALLENGE!

So CONGRATULATIONS to the following students: Jasymn Glenister, Emily Russo, Hannah Applebee, Dakota Horton, Gabrielle Harper and our Super Reading Champion Kate Blennerhassett. Kate definitely likes reading as during the Challenge she managed to read 61 books! (a YHSC record…)

May the books be with you...

Ms. Alison Hay
Teacher-Librarian

40 Hour Famine

Yarra Hills this year has raised $4,000 towards fighting global hunger.

We wish to congratulate all students who took part in this event which is in it’s 40th year.

Nikky Waterson
2015 YARRA GROUP ATHLETICS

Our school Athletics team competed at the Yarra Group Athletics at Knox Athletics Track on Tuesday September 8. The College finished third overall with some outstanding performances.

Kate Blennerhassett was the 13 year old champion. She was 2nd in 200m and 800m and 3rd in 100m, 400m and 1500m.

Shaun O’Rourke was the 15 year old champion. He was 1st in triple jump and long jump and 3rd in 200m and 800m.

Damien Elliott was also the 20 year old champion. He was 1st in 200m and discus and 3rd in triple jump and javelin.

Quite a few of our students had other outstanding results.

Jacob Gerrard was 1st in 17 year old long jump, 2nd in triple jump and discus and 3rd in 100m.

Jasmine Rowe was 1st in 15 year old long jump, high jump, triple jump and 200m.

Rhys McMillan was 2nd in 15 year old javelin, discus and shot put.

Erin Holdway was 1st in 17 year old discus, shot put and javelin.

Justin Coventry was 1st in 17 year old 200 m and 2nd in high jump.

Katie Connor was 1st in 16 year old discus and javelin and 2nd in shot put.

Melanie Huiskens was 1st in 14 year old discus and 2nd in shot put.

Losi Taula was 1st in the 13 year old shot put.

Samantha Donnazzon 1st in the 16 year old long jump.

Katelyn Smith was 1st in 15 year old high jump and 200m and 3rd in 100m and triple jump.

Codie Shade was 2nd in 17 year old 800m and 1500m and 3rd in the 400m.

Tristan Hudson was 2nd in 17 year old 1500m and 3rd in the 800m.

Hala Taula was 2nd in the 16 year old long jump.

Shane Jackson 2nd in the 15 year old 800m.

Tyler McBurnie 2nd in the 17 year old javelin.

Nelson Hourihan 2nd in the 14 year old high jump.

Michael Somerville 2nd in the 14 year old javelin.

Tita Taula 2nd in the 14 year old shot put.

Kirsten Walburg was 3rd in 17 year old 800m and 1500m.

Sam Hives was 3rd in 15 year old 100m.

Jordan Ginniff 3rd in 15 years 1500m.

Darcy Willmott 3rd in 13 year old long jump.

Jordan Stone 3rd in 13 year old 800m.

Lachlan Kilpatrick 3rd in 14 year old 800m.

April Stanley 3rd in 13 year old discuss.

Positive Behaviour Support Workshop

For Parents and Carers of Children and Young Adults with Autism

(see eligibility criteria below)

Aspect Victoria is pleased to offer our highly successful, contemporary, evidence-based three (3) day Autism specific Positive Behaviour Support Workshop in Coldstream.

More than 2000 families have participated in Aspect’s Positive Behaviour Support workshops across Australia. Post workshop evaluations showed an effectiveness of the workshops, with participants reporting decreases in challenging behaviours and increases in confidence and capacity to support their children and young adults.

When: 24th – 26th November 2015
Where: Coldstream Community Centre – 12 Kelso St, Coldstream, VIC, 3770
Time: 9:30am-2:30pm (9:15am for registration)
Cost: FREE (Tea, coffee & biscuits provided – participants to bring own lunch)
Registration: Register via the “Events & Workshops” section of our website www.autismspectrum.org.au

Eligibility to participate in this Workshop:
» Parents or carers of children and young adults aged between 6 - 25 years, diagnosed with Autism
» The individual with autism must be living at home
» Participating families are encouraged to invite professionals or service providers working with them to attend the workshop

Families participating in this workshop will:
» Develop an understanding of autism and how autism impacts upon learning and behaviour
» Learn how to be proactive by creating an autism friendly environment at home
» Learn how to write an autism specific behaviour support plan for one of their child’s behaviours
» Learn how to write a plan to respond confidently when challenging behaviour occurs
» Learn how to teach new skills to promote their child’s independence and quality of life

Enquiries:
Workshop enquiries: Contact Amber Day Administration – Phone: 03 9377 6600 or email: aday@autismspectrum.org.au
Significant barriers to attending a workshop: Contact Heather Kirkhope - Service Coordinator 9377 6600

What participants say about Aspect Positive Behaviour Support Workshops:

“Brilliant information and concrete strategies to use, thank you. I have learnt very important self-reflection, being able to step back and really look at and examine behaviour, so valuable. I really value the focus on being positive and improving my child’s, my own and my family’s quality of life. Great workshop – I will highly recommend it to others.”

“Fantastic presentation. Very interactive, affirming & capacity building. Ideas not just discussed but taught how to follow through on. "Best information session on Autism I have been to. So much clarity about getting to the core behaviour, unpeeling the onion. Enjoyed all the visuals. Thank you so much."
Dear Mt Evelyn Residents,

The Mt Evelyn Street Party is crowdfunding to raise the final dollars needed for the October 24th community event and we need your help! There are two things you can do that will make a huge difference to us.

1. Can you make a small donation? As little as $10 will help us to do such things as make the animal farm and donkey rides free to visitors on the day, keeping it accessible to all incomes. It will also enter you in the draw to officially open the Street Party on the main stage!

Donations as little as $10 are gratefully received by credit/debit card via: https://ozcrowd.com/campaigns/mt-evelyn-street-party-2015/ or you can contact Treasurer, Tim Herlihy, for alternative methods at tim@mtevelynstreetparty.com or phone 9736 2935.

For more perks of contributing check out the crowdfunding website above or if you are a local business, we also have promotional opportunities detailed here: http://mtevelynstreetparty.com/sponsors/

2. Help us to spread the word. Tell your friends, family, colleagues and customers! You can request electronic or hard copies of this letter from Yolande at yolande@mtevelynstreetparty.com, you might share one of our crowdfunding posts on social media or simply send people the website link. Find the Facebook event page hosted by the Mt Evelyn Township Group Facebook Page at https://www.facebook.com/mtevelyn-townshipgroup

Thanks for reading this far. Our incredibly dedicated team of volunteers are working tirelessly to make it an amazing event for everyone. We are so excited about sharing it with you all! We’re reimagining Mt Evelyn in 1956 with our theme “Memories Are Made of This”, from the song made popular by Dean Martin. So we can’t wait to see you all there in your 1950s outfits dancing up a storm to some good, old-fashioned rock’n’roll!!

Kind Regards,
Yolande Pickett, Coordinator
yolande@mtevelynstreetparty.com

parenting ADOLESCENTS

ARE YOU CONCERNED THAT YOUR CHILD IS SPENDING TOO MUCH TIME PLAYING VIDEO GAMES?

Video games are a popular form of entertainment, however there is a growing body of anecdotal and academic evidence about concerns with:

• Social isolation and why computer generated worlds is appealing to young people
• Identifying the interaction between excessive video game playing and mental health issues
• Interacting with gamers and understanding motives for play

Come and meet our new Families and Modern Technology counselor/project worker from EACH’s Youth & Family and Gamblers Help service, for information and possible referral.

Connections

Who’s in Charge?

Does your child hurt, intimidate or abuse you?
Do you feel you are losing control?
Want to better handle conflict?

The Who’s in Charge? group is a 7-week program for parents or carers of young people (8 to 16) who are beyond control, violent or defiant.
The group aims to:
- Provide a supportive environment to share experiences and ideas
- Reduce the guilt and shame which most parents feel
- Offer ideas to help you develop individual strategies for managing your child’s behaviour
- Explore ways of increasing safety and well-being
- Help you feel more in control and less stressed

When: Wednesdays 21st October to 25th December 2015
Time: 12.00pm – 2.30pm Enrolment essential
Where: EV’s Youth Centre 212 Mt Dandenong Rd, Croydon
Cost: Free of charge

Further info on violence to parents: www.eddiegallagher.id.au
Gambling Awareness Forum
Brent Guerra tells his story
Presented by Yarra Ranges Council, Gamblers Help East, and local support agencies

Come and hear former AFL player Brett Guerra, who will tell his own gambling story, and the importance of gambling responsibly. A panel of gambling support, financial counselling and legal aid professionals will then talk about the help that is available for your friends, workmates or family members.

Free bus service available from Yarra Junction and Healesville.
Light supper provided.

Date: Tuesday 13 October
Time: 4pm - 6pm
Venue: Mooroolbark Community Centre
        125 Brice Avenue
        Mooroolbark

Free to attend, but bookings essential
To RSVP and book a seat on a bus, visit
