Reports

As part of our educational responsibility to our parents, guardians and students, regularly reporting on student progress is an integral part of the partnership we share. Each semester we provide you with two reports – an interim report and an end of semester report. All student reports will be available to parents via Compass.

Using Compass parents can view reports for their child. To view your child’s report, either 1) click on ‘View Academic Reports’ from the Compass Home screen or 2) click the Student Profile link from the home screen and click the Reports tab.

Click on the required report (note ALL Yarra Hills SC reports issued for your child will be here)
Once you have clicked on the appropriate report ‘cycle’ you have the option to open the report ‘pdf’ directly or save the file for future reference and/or printing.

Consent and Payments

From the Compass Home screen either:
1) click on the Event alert under ‘My News’
2) click on the Organisation menu then click Events

From the Events page a list of upcoming events and excursions will be displayed, see below. Click the red ‘Process Now’ button to provide consent and/or payment (depending on what the event requires).

Events

An online payment/consent form will be displayed. Complete all highlighted relevant fields and click the ‘Submit Details’ button. Note: If the event has a requirement for both consent and payment, these cannot be completed separately. Should you need to provide payment or consent separately, please click ‘Print Form (Offline)’ to complete the process manually.

Online payments in Compass can only be made with a VISA or Mastercard credit card. All other payment types will need to be completed manually through our campus offices.

Yarra Hills SC will be using the online Events module extensively during 2016. As parents familiarize themselves with Compass, the process of providing consent and/or payments will minimize the number of paper forms exchanged between school and home, also minimizing repetitive form completion.

Security

Compass uses technology called SSL (Secure Sockets Layer). This ensures all Compass sessions are encrypted and secure. All payments made online will appear on your credit card statement as COMPASSPAY.COM.

Full information on the Compass Privacy Policy can be found at www.compass.edu.au/policy/
**Parent – Teacher Conferences**

Using Compass, parents can book parent - teacher conferences online. From the Compass Home screen click on the Community menu and then Parent/Student/Teacher Conferences.

A list of parent-teacher interview cycles will be displayed along with their booking status. Click on the relevant cycle.

Your booking sheet will be displayed and will show all available booking times. Click on a time in the grid to display teachers available for booking at that selected time. Note: If a teacher you wish to book with does not appear, it indicates they are unavailable in that time slot, please try other booking time.

Note: You can view a teacher’s availability by clicking on the teacher’s name at the bottom of the booking page.

Should you have any queries in relation to this guide please contact your campus office to discuss.
