

Welcome to Compass

Yarra Hills Secondary College uses Compass as its
Parent Portal.

A guide for parents and families

What does Compass do for me?

Using Compass allows you to access up-to-date and meaningful information about our school and your child's progress. Compass includes many different features, including the ability to:

- Monitor your child's attendance, and enter an explanation for absence or lateness
- Communicate with your child's teachers, and update your family contact details
- View your child's timetable and the school calendar
- Monitor your child's homework and assessment tasks
- Download and view your child's progress and semester reports
- Book parent-teacher conferences
- Pay and provide consent for events and school fees

Our school will advise parents when each of these features becomes available for parent use.

Accessing Compass

Compass is a web-based system that is accessible on any modern web browser (Internet Explorer, Firefox, Chrome, Safari) or by using the Compass iOS or Android apps. Search for 'Compass School Manager' in the store.

Every family receives a separate login to Compass which will be provided to you by our school. To access the parent portal, go to our school website and click the Compass link on the homepage.

Alternatively, if you are having trouble finding the Compass link you can go to <http://schools.compass.edu.au> where you can search for and find our school's direct URL.

Logging in to Compass

To log in you will require your unique family username and password. These details will be provided to you by our school.

Upon first login, you will be required to change your password and confirm your email address and mobile phone number. These details may be used by our school for SMS, password recovery and email communication throughout the year.

If you have lost your details or forgotten your password, you can recover your details by clicking the 'Can't access your account?' link on the front page.
