	1	Technology: Foods	Topic: Kitchen Operations Assessment: Fruit Research Project									Topic: Kitchen Operations Cont'd Assessment: Designing Dinner										
	1	Technology: Design Tech (Textiles)	Topic: Crazy Critters Assessment: Crazy Critters Design and Production Task									Topic: Fibre Investigation Assessment: Fibres Investigation Research Task										

A note on scheduled co-curricular activities:

A number of scheduled activities may take place throughout the course of the year, including camps, YHSC and interschool sports, excursions, incursions, whole school assemblies and educational testing (including NAPLAN and/or PAT). These events may conflict with scheduled classes and may have a small impact the above on curriculum calendars.

For an updated set of college events and dates, parents and students are recommended to access Compass (click [here](#)) or the external College Website (click [here](#)).

Key:

- Scheduled summative assessments are shaded blue.
- Examples of links or duplication between programs are shaded green.
