This guide provides a general overview of VET courses available within our VET cluster for 2026. While Yarra Hills Secondary College does not directly offer VET courses on campus, students can access VET programs through external providers we partner with.

Please note course offerings are subject to change due to circumstances beyond our control. The information in this guide is accurate as of 23 July.

- Full completion students will receive the Cert II or III qualification at the end of the course
- Check Subject outline Look at the subject (unit) taught within the course to help decide if this course is right for you.
- Restrictions VET program for year 10 or VCE (Yr11 & 12) students can only do VET scheduled on a Wednesday afternoon.
- Eligibility- VET is a selective program for year 10 students (year 9 going into year 10 for 2026)
- Travel Student will need to commute to and from the VET provider so ensure it is a place you can travel to every week.
- How to apply for VET see end of Brochure.
